**MINED TO THE HIGHEST ENVIRONMENTAL STANDARDS!**

**Canadian Melee Collection**

Canadian origin melee diamonds are mined in accordance with the principles of sustainable development, to the highest environmental standards in the world; they have provided social benefits to the northern communities and have brought about important economic prosperity to their region.

Once mined, the melee is then cut in a BEM certified cutting facility in India, with a tracking system guaranteeing traceability up to the mine. This guarantee is based on a written guarantee from the supplier of these diamonds.

THE MOST ECO-FRIENDLY NATURAL DIAMONDS AVAILABLE

**Harmony Recycled Melee\***

Harmony melee diamonds are naturally occurring diamonds, cut and polished from mined rough, previously set in jewelry then removed, and re-introduced into the supply chain for resale.

Offered at discounted prices, our Harmony melee is usually 15-40% less than comparable quality diamonds!
